
Commission Members **At a Glance**

The Utah Commission on Criminal and Juvenile Justice considers every person within the Commission to be an important part of the team. One person's success is everyone's. Each person's responsibilities are critical to the overall efforts of the Commission.

To help you contact the individual in the Commission who can provide the most immediate assistance, we have published this Staff member personnel booklet.

Edward S. McConkie—Executive Director, Utah Commission on Criminal and Juvenile Justice

Edward S. McConkie has been with CCJJ since 1994. Prior to becoming Executive Director, Ed served as Director of the Utah Sentencing Commission.

He graduated from the University of Utah Law School and is currently a member of the Utah State Bar. He was a law clerk for two years for Justice Richard C. Howe of the Utah Supreme Court and interned for Judge J. Thomas Greene, Federal Court Judge for the District of Utah.

For three years he clerked for the education division of the Utah Attorney General's Office.

Susan V. Burke – Director, Utah Substance Abuse and Anti-Violence Coordinating Council

Susan is the Director of the Utah Substance Abuse and Anti-Violence Coordinating Council. Her duties include coordinating with the council and its committees in creating, disseminating and implementing statewide substance abuse and anti-violence policies. Susan works with the Legislature in passing laws that address current public health and safety concerns. Her work also encompasses promoting collaboration between public and private partnerships and the day-to-day management of federal grant programs that fund drug abuse prevention, interdiction and treatment programs throughout Utah. Susan earned her M.A. from the University of Utah in 1990.

Doreen Weyland – Grants Specialist

Doreen Weyland is the Grants Specialist for the Commission on Criminal and Juvenile Justice. She assists recipients of Federal Justice Grants and Utah State Grants to provide accurate financial and performance reports. On-site visits with the subgrantees ensure compliance with pertinent laws, regulations, standards and programmatic integrity. Doreen received a Bachelor of Science degree in Business Management from the University of Phoenix, as well as a Paralegal Certificate and Category II Peace Officer certification from the Salt Lake Community College.

Jennifer Hemenway—Programmer Analyst

Jennifer Hemenway is responsible for technology project coordination within the Commission, where she has worked over eleven years. Currently, she is participating with other state criminal justice agencies to develop WEB based tools for justice professionals. Her duties include: the criminal justice integration project, the justice court automation taskforce and the criminal history record improvement project. Before joining the State, Jennifer owned her own Information Technology consulting firm. She is a graduate of the University of Utah with degrees in Economics and Mathematics.

David H. Walsh—Director, Programs and Budgets

David Walsh has been employed with the Commission on Criminal and Juvenile Justice (CCJJ) since 1983. He serves in a dual role for CCJJ and the Governor's Office of Planning and Budget (GOPB). In his role as Director of Programs and Budget for CCJJ, David oversees budgeting, financial reporting, personnel administration and monitoring of federal grants. As a policy analyst for GOPB, David reviews budget requests, legislation, and programs for courts, adult corrections, youth corrections, and the parole board. A key duty and responsibility for GOPB is to make annual budget recommendations to the governor as well as assist criminal and juvenile justice related agencies identify programs which are successful and worthy of continued and enhanced funding. In addition to his current work experience, David has prior work experience in California and Kansas State government since his graduation from Brigham Young University with a BA in political science and masters in public administration.

Richard P. Ziebarth—Information Analyst/Program Manager

Richard Ziebarth has been a member of the Utah Commission on Criminal and Juvenile Justice for the past three and half years and holds a Bachelor of Science degree in Criminal Justice Administration. In that time he has served as the Technology Grant Programs Manager and worked with the Research and Data Department. Starting in August of 2000, Richard began service as the program manager for the Byrne Formula Grant Program. The Byrne grant serves all facets of the criminal justice system with special emphasis on drug interdiction and treatment, prevention and control of violent crime, and improving the function of the criminal justice system.

In addition to the Byrne grant, Richard also serves as program manager for the Local Law Enforcement Block Grant (LLEBG), the Bulletproof Vest Program (BVP), and the National Incident Base Reporting System (NIBRS) grant program. Each of these smaller grant programs complements the efforts of the Byrne grant and serve State and local government agencies in an effort to improve Utah's Criminal Justice System.
